If, based upon information obtained from any assessment or any other information available, Purchaser determines, within Purchaser's sole discretion, that Purchaser is not willing to expose Purchaser to the risk of the actual or potential liability of the Environment of the Premises or the Project Site, Purchaser shall have the option of:

Seller further warrants that Seller has not participated in any "step" or "strawman" transactions or any other actions designed or intended to artificially inflate the value of the Premises.
- 7.2.9 Seller will take, or cause to be taken, all action necessary to cause the warranties made in this Agreement to remain true and correct in all respects from the date hereof through the Closing Date and will refrain from taking any action which would cause or threaten to cause any such warranties to become incorrect or untrue at any time during said period.

8.

RISK OF LOSS AND DAMAGE

8.1 Risk of Loss. Pending exercise of the Option by Purchaser and thereafter through and including the Closing Date, the risk of loss will remain with and be assumed by Seller.

8.2 Damage. In the event the Premises or the Project Site, or a portion thereof, is destroyed or damaged by fire or other casualty prior to the Closing, then Purchaser, at its option, may elect between the following remedies:

- 8.2.1 To cancel this Agreement, whereupon the parties will have no further obligation hereunder; or
- 8.2.2 To close the purchase and sale contemplated under this Agreement, whereupon, at Purchaser's sole option, either (a) the Purchase Price will be

reduced by an amount equivalent to the difference between the Purchase Price less the fair market value of the Premises immediately after such damage or destruction; or (b) Seller, at the Closing, will transfer and assign to Purchaser all of Seller's right, title and interest in and to the insurance proceeds received or to be received on account of such damage or destruction, and the full amount of the deductible portion of such insurance loss will be deducted from the Purchase Price. Seller will promptly notify Purchaser of the occurrence of any damage or destruction of the Premises and of the amount of insurance proceeds to be paid if such amount has been determined prior to the Closing. Purchaser will make its election on or before the twentieth (20th) day following the date upon which Purchaser receives written notice from Seller of the occurrence of such damage or destruction and the amount of insurance proceeds to be paid, and the Closing Date may be postponed by Purchaser, if necessary, to allow Purchaser the full twenty (20) day period.

9.

TITLE EXAMINATION

9.1 Securing of Title Insurance Commitment. Following Purchaser's exercise of the Option, Purchaser will have a period of sixty (60) days within which to examine the title to the Premises and to secure a commitment in writing, from an American Land Title Association title insurer of Purchaser's choice, for the issuance of an owner's policy of title insurance, committing to insure, at its standard rates or less, Purchaser and the title to be conveyed by Seller to Purchaser pursuant to this Agreement, free and clear of all Title Defects, except the Permitted Title Exceptions, and further committing to insure said title as to those matters which may be revealed by an inspection or survey of the Premises.

9.2 Curing of Title Defects and Fulfillment of Requirements. Upon receipt by Purchaser of the said commitment for title insurance (hereinafter sometimes referred to as the "commitment"), Purchaser will promptly provide a copy of said commitment to Seller and will simultaneously advise Seller which, if any, of the Title Defects set forth in the commitment as exceptions thereto, Purchaser will waive. Seller acknowledges that Purchaser has no obligation to waive any such Title Defects. Seller hereby covenants affirmatively that Seller will, within a period of thirty (30) days following Seller's receipt of the copy of the commitment, take such action and incur such expense as will be necessary to cure all Title Defects not waived by Purchaser. The cure of such Title Defects will be evidenced by the elimination of exceptions therefore from the commitment by one or more endorsements thereto.

9.3 Subsequent Title Examination. Purchaser will have the right to examine the title from time to time subsequent to Purchaser's initial title examination and to give Seller notice of any additional Title Defects (hereinafter referred to as "Additional Title Defects") which may appear of record or of which Purchaser may otherwise acquire knowledge. Purchaser's notice to Seller of any such Additional Title Defects may be in the form of a copy of an endorsement to the commitment. Seller hereby covenants affirmatively to take such actions and to incur such expense as will be necessary to cure such Additional Title Defects so that the same will not

constitute an exception in the policy of title insurance. Seller will have until the expiration of said thirty (30) day period and such additional time as Purchaser may permit, within which to cure such Additional Title Defects; provided, however, that Seller will have not less than ten (10) days within which to cure such Additional Title Defects, with a corresponding postponement of the Closing Date, if necessary, to accommodate said ten (10) day period. Purchaser's rights under this provision extend to any Additional Title Defects which may be discovered after closing for which discovery was delayed by reason of any delay in the official indexing or reporting of filing of real property records in the records of the Clerk of the Superior Court.

9.4 Action By Purchaser And Assistance By Seller. Nothing in this Agreement will prohibit Purchaser from undertaking to cure any Title Defects or to satisfy any commitment requirements in an effort to facilitate the Closing. Seller further hereby covenants affirmatively that, upon request by Purchaser, Seller will assist Purchaser in all reasonable ways to cure any Title Defects and to fulfill such commitment requirements. Such action by Seller will include, but will not be limited to, the execution, and/or cancellation and delivery of all such documents as Purchaser will reasonably request or as the title insurer will require in the commitment. Purchaser will have the same thirty (30) day period within which to cure any Title Defects and to satisfy those commitment requirements which Purchaser has elected to cure and to satisfy, as well as such additional period as Purchaser will deem necessary. Purchaser may, by notice to Seller, postpone the Closing Date to allow Purchaser such additional period; provided however, that Purchaser will not postpone the Closing Date for more than sixty (60) days, unless Seller will agree in writing to such further postponement, and provided further that Purchaser will have no affirmative obligation to undertake to cure any Title Defects or to satisfy such commitment requirements or to continue in any attempts so to do, once undertaken.

9.5 Failure To Cure Title Defects Or To Fulfill Requirements. If Seller fails to cure the Title Defects not waived by Purchaser, or if Purchaser has undertaken and been unable to cure such Title Defects, or if Seller cannot or will not fulfill the commitment requirements and Purchaser is unable or elects not to do so, all within the periods hereinabove set forth, then Purchaser, by written notice to Seller, may elect among the following remedies:

- (a) To waive any remaining, uncured Title Defects and to purchase the Premises subject thereto; or
- (b) To cancel this Agreement, in which event neither party hereto will have any further obligation hereunder; or
- (c) Neither to waive the uncured Title Defects nor to cancel this Agreement, but to pursue Purchaser's remedies against Seller for breach hereof, at law and/or in equity.

10. THE CLOSING

10.1 Closing Date. The Closing Date will be on or before the ninetieth (90th) day following Purchaser's exercise of this Option, unless postponed as hereinabove provided or by

Purchaser upon written notice to Seller; provided however, that Purchaser will not extend closing by more than sixty (60) days without the consent of Seller. The Closing Date, and the time and place of the Closing, will be designated by Purchaser, and notice thereof will be given to Seller not less than one (1) day prior to the designated Closing Date. Purchaser will designate the attorney who will conduct the Closing (hereinafter referred to as the "Closing Attorney"), and the said Closing Attorney will represent Purchaser at the Closing.

10.2 Closing Costs. Prior to or at the Closing, Seller and Purchaser will respectively pay the following costs:

10.2.1 Expenses of Seller. Seller will pay the following expenses:

- (a) Fees of the Seller's attorneys;
- (b) Costs for filing and recording of the deed of conveyance and any other documents or instruments which Purchaser deems necessary or desirable to place of record;
- (c) Any obligation for real estate brokers' fees or finders' fees incurred with respect to the Premises; and
- (d) The amount of 120% of the reasonable estimates of costs for environmental remediation to be accomplished pursuant to paragraph 7.2.4 above shall be held in escrow by the Closing Attorney until such remediation is accomplished and the actual cost of remediation established.
- (e) All other costs actually incurred by Seller.

10.2.2 Expenses of Purchaser. Purchaser will pay the following expenses:

- (a) Fees and expenses of Purchaser's attorney;
- (b) Premiums for any title insurance;
- (c) The costs and expenses of any survey obtained by Purchaser; and
- (d) Any other costs and expenses actually incurred by Purchaser.

10.3 Prorated Items. The following items will be prorated at the Closing:

10.3.1 Taxes And Assessments. All advalorem taxes and assessments for the year in which the Closing occurs, which on the Closing Date are or may become liens on the Premises, will be prorated as of the Closing Date. Likewise, if on the Closing Date the Premises, or any part thereof, will be or will have been the subject of an assessment or assessments which are or

may become payable in installments, of which the first installment is then a charge or lien, or has been paid, then for purposes of this Agreement all the unpaid installments of any such assessment, including those which are to become due and payable after the delivery of Seller's deed of conveyance to Purchaser, will be deemed to be due and payable and to be liens on the Premises affected thereby and will be prorated. If the amount of the ad valorem taxes or assessments payable for the year in which the Closing occurs is not ascertainable at the time of the Closing, then the parties will prorate the said taxes and assessments on the basis of the amount of the tax bill or assessment for the previous year. Seller's prorated share of the said ad valorem taxes and assessments will be deducted from the Purchase Price and retained by Purchaser, and Purchaser will assume the obligation for the payment thereof for the year in which the Closing is held. If the actual ad valorem tax bill or other actual charges and assessments for the year of the Closing are more than the sums which were prorated at the Closing, Purchaser will be solely responsible for payment of the difference. If the actual ad valorem tax bill or other actual charges and assessments are less than the sums which were prorated at the Closing, the benefit will inure to Purchaser without obligation to reimburse Seller for any portion of the overage. If Seller has already paid such taxes and assessments for the year in which the Closing is held, Purchaser's prorated share of such taxes and assessments will be added to the Purchase Price and paid to Seller at the Closing.

10.4 Deliveries At Closing. At the Closing, Seller and Purchaser will each deliver to the other the following:

10.4.1 Delivery by Purchaser to Seller. At the Closing, Purchaser will tender to Seller the Purchase Price in the manner set forth in the provision numbered 10.5 below.

Marketability will be determined in accordance with Georgia law and the State Bar of Georgia Title Standards.

- (b) An owner's affidavit executed by Seller or the appropriate representative of Seller in a form satisfactory to Purchaser and sufficient to enable Purchaser to have deleted from its policy of title insurance any exception for unfilled mechanics' and materialmen's liens and to permit the issuance at the Closing of the title insurance policy referenced in the provision numbered 9.1 hereof.
- (c) Such resolutions or other documents as Purchaser will reasonably request to evidence and to confirm Seller's power and authority to execute and deliver this Agreement and all of the agreements, instruments and documents contemplated herein to be executed and delivered by Seller.

- (g) Any applicable IRS forms such as Forms 1099 and 8283.

10.4.3 Other Documents. In addition to all documents, instruments and agreements expressly provided for herein, Purchaser and Seller will execute such other documents as may be reasonably required by counsel for either party to effectuate the purposes of this Agreement.

10.5 Payment of the Purchase Price. At the Closing, Purchaser will tender to Seller its check, which will be neither a cashier's check nor a certified check, payable to Seller in the amount of the Purchase Price, or at the sole option of the Purchaser, wire to the escrow account of the Closing Attorney the amount of the Purchase Price. If by check, at or prior to the Closing, Seller will endorse the said check to be payable to the escrow or trust account of the closing

attorney. The closing attorney will prepare and issue checks drawn on the said escrow or trust account as necessary for the payment of the expenses of Seller referenced in the provisions numbered 10.2.1 (b) and (c) above and any other expenses of Seller as necessary in order to fulfill the requirements of the title insurance commitment referenced above or as provided herein. The closing attorney will deduct the sum of those expenses, as well as the amount of any credit to which Purchaser is entitled, from the sum of the Purchase Price and will prepare and issue to Seller a check drawn on the escrow or trust account of the closing attorney or, upon the written instruction of Seller, issue a wire order to the account of Seller's choice and at Seller's cost, in an amount equal to the difference between these two sums.

Purchaser will exercise good faith efforts to secure administrative and substantive compliance and any necessary approvals pursuant to the Georgia Environmental Policy Act. However, should Purchaser determine that it will not be able to utilize the Premises for the purposes intended under conditions imposed pursuant to the Georgia Environmental Policy Act and the administrative processes thereunder, then Purchaser may, by written notice to Seller, terminate this Agreement prior to closing, and neither party shall thereafter have any further obligation hereunder.

13.
DEFAULT

If, following Purchaser's exercise of the Option, the sale and purchase of the Premises contemplated by this Agreement is not consummated on account of Seller's default hereunder, then Purchaser may elect between the following remedies:

- (a) To cancel this Agreement, whereupon Purchaser will be relieved of all liability hereunder; or
- (b) To seek specific performance of this Agreement against Seller.
